CALL FOR APPLICATIONS: ACADEMIC YEAR 2020-2021**FULBRIGHT CHAIR
INTERDISCIPLINARY STUDIES: ENGINEERING EDUCATION AT
PURDUE UNIVERSITY, WEST LAFAYETTE**

The **Fulbright Chair in Interdisciplinary Studies at Purdue University, West Lafayette** is given a new emphasis each year, and for 2020-21 it is Engineering Education. Purdue Honors College, which hosts the Fulbright Chair, will collaborate with Purdue's School of Engineering Education to give one award for a Brazilian scholar. The scholar will spend one academic term researching and lecturing in the fall term 2020 or spring term 2021 in accordance with the host institution's calendar.

Applications must include a Syllabus and a Research Project Statement related to **Interdisciplinary Studies with an emphasis on Engineering Education**. In addition, the scholar will be expected to meet the challenges of their area in a future in which interdisciplinary approaches from traditionally disparate areas such as the liberal arts, sciences, agriculture, and engineering necessarily perform together. For academic year 2020-21, preference will be given to candidates who are taking interdisciplinary approaches to engineering education.

The chair will be affiliated with Purdue Honors College and Purdue's School of Engineering Education. The visiting scholar will teach a single three-credit interdisciplinary Honors College course (limit 20 undergraduate students) of the scholar's design, conduct research in engineering education, and convene interdisciplinary activities of his or her design.

1. ELIGIBILITY

The candidates must work under a full-time and active contract in a Brazilian higher education institution. English language proficiency compatible with the proposed activities is a requirement. The candidates must hold a Brazilian passport and must have earned the doctoral degree or Master of Fine Arts before December 31st, 2011. Candidates who have held a J-1 visa in the past must have returned to Brazil before August 1st 2018 in order to be eligible for the Fulbright Program. **Dual Brazilian/U.S. citizens; candidates hired in a temporary basis or as substitute professors are not eligible.**

The candidate must demonstrate outstanding academic qualification and a record of professional experience along with intellectual production in the proposed area during the last ten years in the Brazilian arena. The candidate must stay in Brazil during the selection, affiliation and depart to the U.S.; this grant cannot be cumulated with any other similar grant with the same purpose.

2. FUNDING

The Chair will award funding for one visiting scholar based on a four-month period, as follows:

- US\$ 28,000 for maintenance, housing, settling-in allowance and international round-trip air ticket. The award will be paid by both institutions in an equal amount of US\$ 14,000. The income paid by the university is subject to tax, determined under tax accounting rules;
- Limited health coverage through ASPE – Accident and Sickness Program for Exchanges;
- Visa J-1 fee;
- Access to the facilities and services of Purdue University, such as office space and internet connection; access to collaborative research space, libraries and any other courtesies and amenities normally provided to the academic community to ensure the success of the teaching and research activities undertaken by the scholar.

3. SUBMISSION GUIDELINES

The candidate must submit the online application form, available at <https://apply.iie.org/fvsp2020> indicating “**Chair in Interdisciplinary Studies: Engineering Education at Purdue University, West Lafayette**” in the *Country Information, cycle 2020-2021*, and including the following documents, **all in English**:

- Brazilian passport ID pages, pages, if available, or photo ID. If the candidate has already received a J-1 visa, copy of the DS-2019 form and of the visa page from the passport;
- Resume (CV), no more than three pages;
- PhD/MFA certificate or diploma (can be in Portuguese);
- Pay Stub (*contracheque*);
- Syllabus and Research Project Statement with bibliography;
- Plan of Activities; and
- Two letters of reference.

4. SELECTION PROCESS

The Fulbright Commission will review all applications and select the complete ones from eligible candidates. A peer review panel, nominated by the Fulbright Commission, will assess candidates' academic and professional qualifications and the relevance of their proposed courses and research projects. An interview may be required.

The Fulbright Commission will nominate the selected candidate for final approval by the *J. William Fulbright Foreign Scholarship Board*. Preference will be given to candidates with no significant previous academic experience in the U.S.. Priority will be given for groups already underrepresented in the program.

5. TIMELINE

- **July 28th, 2019:** deadline for online applications submission;
- **October 2019:** results of the selection process;
- **Fall term 2020 or spring term 2021:** activities at Purdue University.
