- **3 Recommendations:** It should be from people qualified to evaluate your academic and professional work/
- Recommendations can come from your home institution and professional workers in the area.

- Do not ask someone for a letter of recommendation unless the person is well acquainted with your qualifications. - Recommendations must be written in or translated into English.
- The letters must be submitted through the online application system by the application deadline.
- Note that documents should not be mailed to the Fulbright Commission.
- Once you register your recommenders, they will receive an automatic email with instructions on completing the online recommendation form. You can track the status of recommendations, send reminders, and add/delete recommenders through this system before **and** after the submission of your application.

- Once sent, you will have the option to Edit Recommender information if they have not yet started progress on their response and Save, Send Reminders, and Exclude if you wish to remove the recommender and replace it with another individual.
